What have been your lasting memories of your time in Lockdown?

Win the chance to exhibit your photography at the wonderful Birmingham Contemporary Art Gallery. Have your memories included in a video complemented by some amazing music from UB40.

How did you spend your time during Lockdown? What made you smile? What made you sad? What made you believe? What are the moments in your lockdown that you'll never ever forget?

This competition is open to anyone aged 16 or over who lives in the Midlands region.

Please read our [terms and conditions](#) prior to submitting your entry.

The competition is open to all members of the public no matter how good a photographer you consider yourself to be. This includes professional and amateur photographers (although professional photographers are requested to state this on the application form).

The subject of your entry can be wide-ranging but it must have been taken by you (no-one else) during the period of the Covid-19 lockdown. It can be of a moment that meant something special to you, something that will always remind you of a time

in lockdown. It could have been taken at home or outside during time at work, during exercise time or during an essential visit somewhere.

**The deadline for all entries is 31<sup>st</sup> May 2020.**

Announcements of winners and honourable winners of all forms will be published online after 31<sup>st</sup> May 2020. Details on the exhibition and gallery will be made in due course depending on lockdown restrictions being lifted and further government rules on social distancing.
